A search bar is present, along with a "Browse by:" section listing categories: Letter (A-Z), Category (ED Packs, Herbal, Most Popular, Allergy), and a "Soft Pack" section with a "Save 16%" offer. The main content area displays a product listing for "Vagra Soft 100mg" and "Cafe Soft 20mg" with a price of "USD 3.80" and "USD 3.23 per pill". A sidebar on the right contains social media icons and a search bar.

KnujOn Process Brief

The domains indicated below were reported to KnujOn.com as being advertised in unsolicited email messages or in connection with other illicit Internet activity. Inspection of the domains indicates they are used to advertise and sell illicit pharmaceuticals. These sites frequently offer drugs without prescription or age verification from unlicensed and unauthorized sources. Attempts to contact the registrant of record through the WHOIS failed for the reasons cited in each case. At the end of the 45-day WDPRS lifecycle the domains in question were still online with the same content and the WHOIS was not updated. In the interest of providing context and background, an example of the illicit content is provided.

The WHOIS contact addresses for these domains vary, but our research indicates they are likely controlled by the same registrant so we have grouped them in one table. We verified on 28 November 2011 the domains are still online with illicit pharmacy content, sponsored by Netlynx, and the WHOIS is unchanged.

All domains have the same content as shown in the example (medicrxff4.com) below:

The screenshot shows the Pharmacy Express website. At the top, there is a navigation bar with a search bar, social media icons, and a main menu with links for 'Main', 'About us', 'F.A.Q.', 'Our policies', 'Track my order', and 'Your cart'. The header features a doctor in a white coat and a Canadian maple leaf. The main content area includes a promotional banner for 'New! The best and cheapest herbal pills' with a '100% NATURAL' badge. Below the banner are three product packs: 'Soft Pack' (Viagra Soft 100mg and Cialis Soft 20mg), 'Family Pack' (Viagra 100mg and Female Viagra 100mg), and 'Viagra + Cialis + Levitra'. Each pack shows a price reduction (e.g., 'Save 16%') and a 'Select pack' button. The bottom of the page shows more product listings for 'Viagra', 'Cialis', and 'Most Popular (per pill) Strong Pack'.
