## Case 1: [bigpharmacy.net](http://bigpharmacy.net)

**Summary:** bigpharmacy.net was first reported to KnujOn on **5 May 2011** as being advertised in unsolicited email messages. An inspection of the domain content indicated it was an illicit pharmacy domain, which commonly offer drugs without prescription or age verification from unlicensed and unauthorized sources. In total, KnujOn received 4 abuse reports concerning this domain. KnujOn made an attempt to contact the registrant of record via email at the address [Hyauiri@angolaburzua.ao](mailto:Hyauiri@angolaburzua.ao) on **5 May 2011**. The email was rejected because "I couldn't find any host named angolaburzua.ao". KnujOn filed a WDPRS complaint with ICANN on **10 May 2011** (report ID: 1d9b83b3bf2dc71539d919c073337a0c6edddf3e). The cycle deadline for this complaint was **24 June 2011**. As of **2 November 2010** the data was still inaccurate and the domain still online, hence our follow-up report indicated that the WHOIS data is still inaccurate. As of **17 November 2011** the domain is still active and sponsored by the Registrar.

## Current content

The screenshot shows the homepage of an online pharmacy. At the top, there are navigation links for Bestsellers, News, FAQ, Testimonials, Track Order, and Contact Us. A language selection menu is visible in the top right corner. The main banner features a smiling couple and the text "Online Pharmacy". To the right of the banner, contact information is provided: "Our phone: +1 (646) 205-2937", "US Toll free: +1 (866) 417-5821", and "UK Phone: +44 (870) 471-8431". A promotional offer states "Get FREE sample tablets with your order". Below the banner, there is a "Categories list" on the left, a "Bestsellers" section in the middle, and a search bar on the right. The "Bestsellers" section includes a "Enjoy re-order savings!" promotion with a "Click here for details" link. The search bar has input fields for "By keyword" and "By tablets name". At the bottom, there are images of Viagra and Cialis pills, and a "Buying drugs the" section.
